

Music-on-the-Go
“The Musician as an Artist”, K-8

Opening Performance (jazz standard)

“The-Umbrella-Artist” (audience participation)

Objectives:

- To broaden the student’s definition of artist.
- To guide students to reflect on the artistry within themselves.
- To guide students to see the definition of artist within society.

“Rote-Song-Rambler” (interactive student activity)

Objectives:

- To expose students to polyphonic awareness by singing a “cannon”.
- To challenge students to use their “inner hearing”.
- Engage students in actively singing, clapping and building musical memory retention.

“Build-a -Song” (audience participation)

Objectives:

- To deepen student’s awareness of song fundamentals
- To expose students to definitions such as “tempo”, “groove”, “dynamics”, “popular song form”, and “ensemble”.
- To expose students to mastery as a music artist
